Note the taxable portion of SS or RR after the worksheets are completed.

In this example the taxpayer's refund went from \$243 to \$1,571 using this process.

Legal Fees

Legal fees are deductible on Schedule A, line 23 (subject to the 2% AGI limitation), if the taxpayer itemizes deductions. Legal fees associated with obtaining the benefits can be deducted to the extent that the benefits are taxable.

In the example above: Attorney Fees: \$3,090 Gross SS Income: \$33,996 Taxable amount of SS: \$23,925 Deductible attorney fees (Schedule A, line 23): \$2,175 = [\$3,090 x \$23,925 / \$33,996]

NOTE: Since previous returns were not amended, the entire \$23,925 was allocated to the current year.

Disability Insurance Repayment

Social Security Lump Sums are often associated with repayment of private disability insurance. The "repayment" can be handled according to IRC 1341 as a "Claim of Right", in a manner similar to the SS Lump Sum Election. This is "out of scope" and should be referred to a professional preparer.

Tips for Calculating Social Security Lump Sum Payments

- Taxpayer must have copies of previous year return(s)
- Be sure all income is entered before completing this process
- Be sure to enter any SS income received in previous year
- Be sure to check previous return for any tax-exempt interest (Federal 1040 Line 8b) or Student Loan Interest deduction(Federal 1040 Line 33)
- Attorney fees may be deductible
- Refer SS lump sums that include private disability insurance repayment to a Professional Preparer
